A BIG thank you to our  
& supporters!

## Paediatric Continence Care Conference 2026

12th October 2026, Bristol

eric

The Children's Bowel & Bladder Charity

# Join us

We are delighted to announce that our Paediatric Continence Care Conference will be held at **The Grand Hotel by Sunday** in Bristol on Monday 12th October 2026.

The ERIC Paediatric Continence Care Conference is designed for healthcare professionals to share the latest research and practical guidance, as well as updating their professional skills. The event includes a broad programme of talks from some of the world's leading practitioners and researchers, cutting-edge interactive workshops and practical demonstrations, and an opportunity to access the industry's latest equipment and expertise in our exhibition.

Our conference theme this year is **Together for 35 years: Leading change in paediatric bowel and bladder health.**

As well as being a fantastic opportunity for sharing knowledge, learning, and networking, by supporting our Conference you are contributing to the vital work that ERIC is doing for children and families across the UK. Without our sponsors and exhibitors, this event - and the high quality education and support that we offer to healthcare professionals supporting children - wouldn't be possible.

So thank you, from all of us, for supporting this event and, by extension the 1.5 million children across the UK currently living with a bowel or bladder condition.

Together, we are making a difference.

**Siân Wicks, ERIC CEO**

*“Improving outcomes for children requires collaborative working across the sector. Our Conference is the perfect opportunity to celebrate success, share best practice, and work together on solutions that will make childrens’ lives better in the long-term”*

# Why should you exhibit?

The ERIC Paediatric Continence Care Conference is a well-established biannual event that attracts professionals from right across the sector. It's a rare opportunity to capture the attention of healthcare professionals in a lively and stimulating environment. ERIC is a trusted organisation for professionals and, by exhibiting with us, you're benefitting from our great relationships and reputation across children's health.

## Networking opportunities

Connect with healthcare professionals from a range of settings and showcase your products and services. Your reach will be even higher this year with our increased delegate numbers and a larger venue.

## Position your brand

ERIC Conference is a great opportunity to align your organisation with industry thought leaders and get in front of key decision-makers who make purchasing decisions. It's an excellent shop window for your products and services.

## Support our cause

There are 1.5 million children in the UK living with a bowel or bladder condition. By exhibiting with ERIC, you will be supporting our charitable work with children and families across the country, who need our help now more than ever.

## Be part of the movement

Ok, you've exhibited at conferences before, but have you been to an ERIC Conference?! This is a room full of people at the forefront of improving health outcomes for children. It's a positive, dynamic atmosphere - and our exhibitors agree! In fact, last year we received 97% positive delegate feedback. Come and be part of it!

**Trusted expert advice and support**

## Our 2024 event in numbers

# About our event

Our 2024 event was our biggest year ever, with over 200 delegates joining us in Birmingham. We paid special attention to ensuring delegates were able to move freely across the exhibition and access all the stands. Catering was strategically organised to ensure maximum dwell time in the exhibition area. The feedback from exhibitors was excellent, with sponsors telling us the layout enabled them to have more productive conversations with delegates. Attendees also appreciated the efforts of exhibitors, with feedback stating that stands were eye-catching and innovative.

# What our exhibitors say

“ DRI Sleeper has been an exhibitor at ERIC’s conferences for more than a decade. We find them well organised and well attended. The conference topics and themes are always current and informative and we appreciate the opportunity to be able to speak with delegates who are interested in incorporating DRI Sleeper bedwetting alarms into their practice. ”

**DRI Sleeper**

“ We felt so very privileged to attend such a prestigious event. The event was very well organised from start to finish. The educational content was exceptional, and the engagement with so many Clinical Nurse Specialists who care deeply and passionately was amazing. We learned so much about different products available for children with incontinence issues. More importantly, the work that ERIC does makes a massive difference, not only to the children, but to the parents as well, enabling better care and better outcomes and investing in our next generation. We absolutely loved it ”

**Rapidcare**

“ We found the conference very valuable. It gave Pjama the chance to connect with healthcare professionals working in exactly the right field for our solution and to learn from their experiences. The lectures were inspiring and the setup was very beneficial in allowing real time for meaningful discussions with participants.” ”

**Pjama**

- Leaflets added to delegate goody bag

## Other opportunities

- Extra stand passes £95.00
- Notepad and stationery sponsorship £1500
- Goody Bag sponsorship (logo alongside ERIC logo) £1000

# How it works

Our programme runs from 8.30am- 4.30pm and includes an optional breakfast symposium followed by a morning plenary session packed with the latest research and thought-provoking new approaches. The afternoon session offers 6 interactive workshops with each delegate being able to choose 2.

The programme has been designed to appeal across the multi disciplinary audience and includes a gallery of poster presentations from a wide range of research in the sector.

There will be an exhibition area where you can advertise products and services over lunch and during breaks, and of course take advantage of the many networking opportunities for exhibitors.

All refreshments and food will be served in the exhibition to encourage delegates to remain within the exhibition, with a morning break, lunch and afternoon break provisioned.

Exhibiting company representatives are welcome to attend conference sessions, but priority will be given to delegates during busy periods.

# How to book

Stands will be allocated on a first come, first served basis. To request a stand booking form, please contact:

**Email:** [leanne.doman@eric.org.uk](mailto:leanne.doman@eric.org.uk)

**Phone:** 0333 220 8928

Bookings will be held for 7 days from the date of your request until your booking form is received. The booking form includes information on how to pay and terms & conditions.

Once your booking form and purchase order has been received, an invoice will be sent to you. Payment must be made within 30 days to secure your booking.

# Get in touch
